

How to sign in to your CLL course via

- **USERNAME:** Your last name followed by your first name. All one word and all lowercase.
Ex: Joseph Brown's username is "brownjoseph"
- **DEFAULT PASSWORD:** #Learner4Life
If you have logged onto Moodle before, you will use those login credentials.
- To log in, please go to **<http://moodle.ctsnet.edu>**
- **View the Course:** Once in, you will see the courses you are enrolled. Click the course title to view the course page.

Troubleshooting

- Did you enter a different name for your first name than your preferred name?
- Did you remember the # and to capitalize the Ls in "#Learner4Life"?
- Are you using Google Chrome?
- Forgot your password? Email us to reset it.
- You can change your password once logged in. But do keep a record. We cannot see what it was changed to!
- Only use the SSO if you registered with a ctsnet.edu email.
- Other questions, comments or concerns? Please email **lifelonglearning@ctsnet.edu**
